

# TO OUR DAIRY FARMERS - THANK YOU!

Our farmers are at the heart of everything we do and now more than ever they need our support. We want to take a moment to thank all of our farmers across the UK and recognise their efforts as they continue working to feed the nation during these challenging times.

In 2016, Arla and ASDA joined forces to introduce Farmers Milk, which gives back an extra 25P per bottle to farmers.\* So if you want to say thank you to our farmers, you can support them by purchasing Farmers Milk - it's a thank you in a bottle to our farmers.

*Best Wishes*
